

## Commercial Lease Analysis.

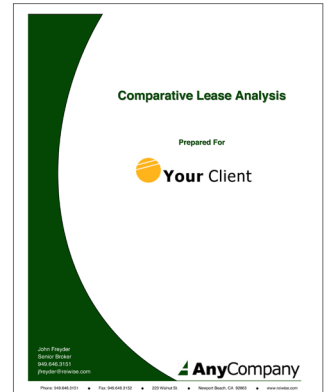

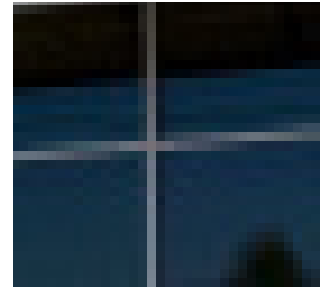

### **One Comprehensive Platform for Commercial Lease Analysis.**

REI WISE's Commercial Lease Analysis offers you a single, integrated platform for all your lease analysis. Analyze and create comprehensive lease presentations for Tenant Representation and Owner Representation.

View the changes in real time as you enter data. Then compare multiple lease options side by side on a single screen. Produce the most impressive presentation packages that are fully branded for your organization and your clients.

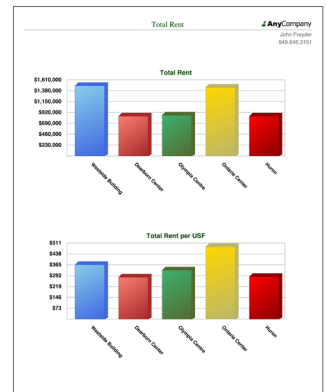

## WHY REI WISE'S COMMERCIAL LEASE ANALYSIS?

- **INNOVATIVE**  
Our comprehensive software can calculate and determine the best leasing opportunities for retail, office or industrial.
- **QUICK AND EASY TO USE**  
No installation, no CD. Our subscription based online software is available anywhere, anytime.
- **AFFORDABLE**  
Create a comprehensive lease presentation that can compete with large corporations at a fraction of the cost.
- **BEST IN CLASS MARKETING MATERIALS**  
Create full branded proposals in PDF format for print, e-mail and websites. Combine property photos, maps, aerials, plans, demographics and other external PDF files, along with the financial analysis, to deliver one complete package to your client.
- **ACCURATE**  
Our products have been used in over 3,000 offices worldwide and have analyzed over \$50 billion in investment properties.

## COMMERCIAL LEASE ANALYSIS FEATURES

- Superior Software Design
- Summary Dashboard
- Best in Class Presentations
- Real - Time Results
- Powerful Analysis
- Interactive Charting
- Right - Click Help System

“

Recently, I have had the opportunity to use your online commercial lease analysis platform and wanted to tell you what an excellent product you have. Previously I used the Treesoft/Argus product and your software outperforms it across the board. I find it significantly easier to use and more intuitive.
